Dear Parents/Carers,

28 November 2016

A sibling discount of 20% will apply next year to the CEO Tuition Fee. This will apply to the eldest child attending an ACT system primary school where they have an elder sibling in a system secondary school (High school).

The five CEO systemic secondary schools are St Francis Xavier College, St John Paul II College, Merici College, St Clare's College and St Mary MacKillop College. (St Edmunds, Marist and Daramalan are not systemic schools).

It is important that the following information be completed showing where all school age children will be attending in 2017 and returned to the Front Office as soon as possible. **Failure to do so will mean families missing out on the discount.** This will also be used to determine where the building fund contribution will be billed.

| Child's Name | Date of Birth | Year/Grade 2017 | School Attending 2017 |
|--------------|---------------|-----------------|-----------------------|
|              |               |                 |                       |
|              |               |                 |                       |
|              |               |                 |                       |
|              |               |                 |                       |
|              |               |                 |                       |
|              |               |                 |                       |
|              |               |                 |                       |

70% for the 2<sup>nd</sup> child attending an Archdiocesan Primary School

80% for the 3<sup>rd</sup> child attending an Archdiocesan Primary School

No charge for a 4<sup>th</sup> or subsequent child/children attending an Archdiocesan Primary or Secondary School

To enable us to pass these fee discounts on, we require you to complete the following information and return it to the school by Friday 9 December 2016 (Week 9). **Please do not assume if you completed this form last year it will be recognised in 2017.
