14th October 2016

Dear Parents and Carers,

Please see the following information for swimming lessons starting next Monday 17th October.

Children will need to come to school with:
- full school uniform (please make sure these are all labelled)
- swimmers on under uniform (girls in a one piece would be advised to wear swimmers only up to the waist until lesson time).

We also require that all children have a bag with their name clearly marked on the front, containing:
- a warm jacket or similar to wear over the top of swimmers
- a pair of thongs or sandals
- a towel
- A swim cap (these are not being provided by the swimming pool. They are not compulsory)
- A pair of underpants

The children will change from school uniform to jacket, thongs and towel in class. All uniform items will be neatly folded and remain on desks. No items of uniform will go to the pool. The children will leave school in swimmers, jacket, thongs and towel only.

Please don’t hesitate to contact me via email over the weekend if you have any questions.

Kind Regards,
Rebekah Brown
